Wagga Wagga 2650
Australia

The Journal of the Australian Chiropractors' Association is dedicated to the advancement of chiropractic principles and practice and seeks to provide a means of communication within the chiropractic profession and with related disciplines; cultivate professional dialogue and awareness in areas relevant to the practice of chiropractic in Australia; enhance the continuing education of the practising chiropractor; provide information about the progress of the chiropractic profession at all levels; and stimulate wider participation by actively encouraging contributions from within the profession.

The *Journal* is the official publication of the Australian Chiropractors' Association, but neither the Association nor the *Journal* holds itself responsible for statements made by any contributor. Unless otherwise stated, material published in the *Journal* does not reflect the attitude or official position of the editors, editorial board or the Association, nor does inclusion of advertisements imply recommendation for the advertised products or services by the Australian Chiropractors' Association.

The editors reserve the right to make customary editorial revisions to ensure clarity of meaning, correctness of grammar and conformity to the *Journal* style. The staff is not responsible for errors or omissions. Should these occur, however, please notify the editors, and the *Journal* will publish *errata* in a subsequent issue.

No material may be reprinted from the *Journal of the Australian Chiropractors' Association* without the written permission of the editors and the author(s).

The *Journal of the Australian Chiropractors' Association* is published quarterly in March, June, September and December. Copy and advertising brochures must be with the editors no later than the first day of the month preceding date of issue. Advertising is subject to review before acceptance. Advertising rates on request.

All subscriptions to the *Journal of the Australian Chiropractors' Association* are for one full year and begin with the first (March) issue of the current year. General postpaid subscription rates are \$40.00 per year in Australia and AUD\$45.00 per year in all other countries. Overseas airmail rate on request.
